## PROMOTIONS

CityPASS, still one of the best ways to save money while traveling to key cities, has expanded into Philadelphia. The pass saves 47 percent off admission to major attractions and, in most cases, avoid long lines at the entrance and includes enough attractions to complete the average vacation. I recommend the Philly pass to folks who live here and want to have a staycation or as a wonderful gift for your out of town guests. You can really see the elephant by purchasing a pass in any of five other cities, Atlanta, Boston, Chicago, New York City, and Toronto. Pricing and attraction info can be accessed at [www.citypass.com](http://www.citypass.com)

Travelujah is a comprehensive website designed to connect faith-based travelers and Christian Holy Land pilgrims through a social network that provides current information and tips on travel to religious sites in the Holy Land. Created by Elisa Moed, an experienced travel consultant, the site offers more than basic trip planning but includes blogs, itinerary building, a sites directory, reservation services and educational information. Details and an opportunity to sign up for a free newsletter can be found online. [www.travelujah.com](http://www.travelujah.com)
